Call For Proposals is OPEN!

We invite you to submit a speaker proposal for the **2017 Online Teaching Conference**.

The Conference is a unique peer-to-peer premier gathering of California Community College (and other institutions), faculty, staff, and administrators leading the way in developing innovative and effective online education. Conference participants will be challenged and engaged by in-depth examination of relevant topics related to effective practices, support and resources, technology innovation, and leadership and evaluation.

We are particularly looking for engaging and creative proposals under these "tracks":

Effective Practices
Support and Resources
Technology Innovation
Leadership and Evaluation

Speakers are a large part of what makes a conference successful.
Help us make this our best OTC yet!

This conference is an event for faculty, staff and administrators who are engaged or interested in online education, including delivery of online services, emerging technologies, student success, library and technical support. In addition to learning, this conference is an opportunity for educators to spend valuable time with colleagues, share knowledge, and impart/receive best practices.
